# Welcome

to **UNITI expo 2018**! We are delighted that you have chosen to be an exhibitor at our trade fair or will be registering with us in the near future.

This exhibitors' guide contains all the key information you will need as you make your preparations. Just click on the links provided to find further details and forms relating to individual topics. If you are unable to find an answer to a specific question, please get in touch with us directly. (See [page 33: www.unity-expo.com](#)).

We hope that your preparations run smoothly and we wish you every success at **UNITI expo**!

Your **UNITI expo** team

As at 17. January 2018

Subject to change. Find the latest version [here](#).

## *UNITI expo* at a glance

In June 2016, *UNITI expo* welcomed in its second edition a total of 15,000 trade visitors from over 110 countries and 425 top-class exhibitors from 36 countries. The entire programme, the compact three-day format and the two-year cycle of the *UNITI expo* is precisely tailored to the needs of its target audience.

*UNITI expo 2018* addresses every facet of the retail petroleum and car wash sector on 40,000 sqm of exhibition space. To facilitate an overview of the comprehensive range of products on offer, the exhibition area is divided into four themed areas: technology, payment & logistics, carwash & carcare, oil companies & fuel retailers and shop & convenience.

In addition to the actual exhibition *UNITI expo 2018* also offers a well-rounded series of seminars free of charge. Integrated directly within the exhibition halls, the themed forums with product presentations and seminars are within easy reach. The programme will be available

on the *UNITI expo* website in the run up to the trade fair.

On the first evening of the trade fair, a networking party will be held for exhibitors, their teams and their guests.

If you are not yet registered as an exhibitor, you should familiarise yourself with the exhibition conditions and make a decision to register as soon as possible as spaces are limited and registration forms will be processed on a first come, first served basis. Further information and registration forms are available at: [www.uniti-expo.com](http://www.uniti-expo.com).

As an exhibitor, you have access to two portals:

The *UNITI expo* exhibitor portal enables you to create your entry for the exhibitor directory, upload your press releases, generate trade visitor ticket codes for your guests and much, much more.

Use the Stuttgart Messe Service-Portal to book all the services offered by Landesmesse Stuttgart and its service partners. This portal provides, for example, services in relation to stand construction, stand connections, stand cleaning and catering.

*UNITI expo* is an out-and-out trade fair. As a consequence, it provides a unique opportunity to exchange ideas with experts and participate in project discussions at the highest level. Trade visitors can register online for *UNITI expo 2018* free of charge from 1st October 2017 onwards and print out their Print@Home badges prior to the start of the trade fair. Exhibitors can invite as many business partners, customers and potential customers as they wish free of charge, the only prerequisite being they must be trade visitors.

# Fairground map

## UNITI expo 2018 products & services

## 2. Registration and order deadlines

### 2.1. Stand registration

Stand registration forms will be processed on a first come, first served basis. Registration of stands and co-exhibitors after the official registration deadline may result in restrictions to specific **UNITI expo** services.

#### Stand registration

Official registration deadline 23 March 2018

#### Stand registration form

[www.uniti-expo.com](http://www.uniti-expo.com)

› Exhibitors › Exhibitor services › Stand registration

### 2.2. Services provided by Landesmesse Stuttgart

Please place all orders for electricity, water, stand cleaning, internet, ceiling suspensions, parking permits, insurance policies, advertising services, etc., as early as possible. You can find the order deadlines for all services offered by Landesmesse Stuttgart and its service partners on the Stuttgart Messe Service-Portal. For further information on services, see [page 10: 3. Information and services \(in alphabetical order\)](#).

#### Order deadlines

[www.stuttgartmesseserviceportal.de](http://www.stuttgartmesseserviceportal.de) [UNITI expo 2018]

› Dates & deadlines

You will get the access details in September 2017

### 2.3. Stand construction permit

Stand construction permits are awarded by Landesmesse Stuttgart. For information on permit requirements, see [page 23: 4.22. Stand construction permit](#).

#### Stand construction permit

## 3. Information and services (in alphabetical order)

Please place orders for services provided by Landesmesse Stuttgart and its service partners online via the Stuttgart Messe Service-Portal. Information on services offered and prices will be available from September 2017. To book services, use the access data that you will receive by the end of September or 4 weeks after your registration to legitimate your orders. Invoices for services rendered are issued directly by Landesmesse Stuttgart.

Please observe the aforementioned order deadlines. Late orders could incur considerable extra costs.

### 3.1. Co-exhibitors

As an exhibitor, you are required to register your co-exhibitors. A fee of € 490.00 plus VAT is charged per co-exhibitor. This fee includes a basic entry in the exhibitor directory.

### 3.2. GEMA/music playback

In accordance with the provisions of the Federal Copyright Act (copyright law), the permission of GEMA is required for any form of music playback. Undeclared playback of GEMA-protected music may result in claims for damages from GEMA.

Conceivably, GEMA inspectors may visit the trade fair and take action against exhibitors using unauthorised music playback at their stands.

#### Co-exhibitor registration form

### 3.3. Hall lighting

General lighting in the halls is at least 300 lux. We recommend to you use additional lamps to create the ideal lighting conditions for your stand. For stand lighting partner companies, see [page 41: 10.5. Exhibition stand construction companies](#) and [10.6. Event technology](#).

### 3.4. Liability and exhibition insurance

Exhibitors are strongly advised to take out a liability insurance policy that covers liability claims from third parties.

Exhibitors are also recommended to take out an exhibition policy that insures their stands and exhibits for the official duration of the trade fair and also during set-up and dismantling (including transportation of exhibits).

Both insurance policies can be booked directly via the Stuttgart Messe Service-Portal.

### 3.5. Noise levels

For the benefit of all exhibitors and visitors, the noise levels generated by demonstrations, music, shows and audiovisual presentations must be limited in such a way they do not disturb others and normal volume conversations can be held at neighbouring stands (about 75 dBA at 3 m distance from the stand). In case of non-compliance, the organiser is entitled to prohibit the activity and, if necessary, close the stand.

#### Order forms for insurance policies

### 3.6. Photography / video

The production of commercial visual recordings of any kind, in particular photography and filming / videotaping, is prohibited throughout the exhibition area. Only press, photographers and film crews accredited by UNITI-Kraftstoff GmbH are authorised to produce such material.

Filming and photographing of exhibitors is permitted within the confines of their own stands and exhibits.

### 3.8. Receptacles for rubbish, recyclable materials and non-recyclable waste

Stand receptacles for recyclable materials and non-recyclable waste must have closed lids and must be made of non-combustible materials. Exhibitors are responsible for disposing any rubbish or non-recyclable waste that is created during set-up and dismantling. Suitable receptacles can be ordered via the Stuttgart Messe Service-Portal.

### 3.9. Smoking ban

Smoking is prohibited on the exhibition grounds. It is only permitted in designated outdoor areas.

### 3.10. Stand catering

Catering services at Landesmesse Stuttgart are provided by Aramark.

You can hire a caterer of your choice to carry out catering on your own stand. (See also [page 41: 10.7. Catering](#))

### 3.11. Stand cleaning

A range of different stand cleaning services can be booked prior to and during the course of the trade fair.

### 3.12. Stand parties

If you wish to host a party at your stand outside of the trade fair opening hours, this needs to be registered and is subject to a fee. Please note that on 15 and 17 of May no parties are allowed.

### 3.13. Stand security

Stand security can be booked for the entire duration of the trade fair, as well as during set-up and dismantling through Landesmesse Stuttgart.

#### Catering Aramark

### 3.14. Trade fair hostesses

If you need additional staff during the fair, you can hire trade fair hostesses via the Stuttgart Messe Service-Portal.

### 3.15. WiFi inside halls

**UNITI expo** offers its visitors and exhibitors free open WiFi access inside the halls for checking e-mails and other activities that do not require a large amount of data.

However, if you need a stable high-speed internet connection to present your exhibits or carry out administrative tasks, we strongly recommend you to order the installation of private internet access.

(See [page 20: 4.13. Internet / WiFi / communication installations](#))

Please note that you must register your own wireless network (WiFi) at the Landesmesse Stuttgart.

## 4. Stand construction (in alphabetic order)

The following section is a summary of key information and issues pertaining to the construction of your stand. In addition, we ask you to comply with all provisions in the UNITI Kraftstoff GmbH exhibition terms and conditions and the Technical guidelines of Landesmesse Stuttgart.

If you do not have your own stand, we offer a range of stand packages and features as well as customised solutions (see [page 25: 5. Stand packages](#)).

Please place orders for services provided by Landesmesse Stuttgart and its service partners online via the Stuttgart Messe Service-Portal. You will receive the commensurate access data, that enables you to order services, by 25 September 2017, at the latest. Invoices are issued directly by Landesmesse Stuttgart.

Please observe the aforementioned order deadlines. Late orders could incur considerable extra costs. (See [page 8: 2.2. Services provided by Landesmesse Stuttgart](#))

### 4.1. Barrier-free construction

Please ensure that there is barrier-free access to your stand. Your stands and facilities should be accessible and usable by visitors with limited mobility without the need for assistance.

### 4.2. Balloons

Inside the premises of Landesmesse Stuttgart you are only allowed to fill balloons with air or safety gas. They must all be approved by the Landesmesse Stuttgart. A safe fixing for the stand area is required.

The distribution of advertising balloons to customers is not permitted as they could fly to the ceiling due to the air inside.

**Exhibition conditions of UNITI Kraftstoff GmbH,

Item 4.4.1.5 und 5.7.1.1**

[www.uniti-expo.com](http://www.uniti-expo.com)

› Exhibitors › Download area

#### 4.3. Beverage dispensing systems

The Ordinance on Industrial Safety and Health and General Food Law Regulation must be observed with respect to the installation and operation of beverage dispensing systems on the stand. A separate permit is required to serve alcohol.

##### Permit to hand out alcohol

[www.stuttgartmesseserviceportal.de](http://www.stuttgartmesseserviceportal.de) [UNITI expo 2018]

- › Stand construction & Service › Permits
- › Permit to hand out alcohol

- › Downloads

#### 4.4. Boundaries facing the aisle

So as not to compromise the appeal of adjacent stands, no more than 50 % of the open side of a stand is permitted to be 'closed off' by walls.

Walls that are at least 1 m from the stand boundary, have a height not exceeding 1.2 m or are transparent are exempt from this rule.

##### Exhibition conditions of UNITI-Kraftstoff GmbH Item 13.3

[www.uniti-expo.com](http://www.uniti-expo.com)

- › Exhibitors › Download area

#### 4.5. Boundaries to neighbouring stands

Your stand must have fixed partition walls. Roll-ups and poster displays may not be used as boundaries.

If necessary, you can order suitable stand partition walls via the Stuttgart Messe Service-Portal.

##### Order form for stand partition walls

- › Stand construction & Service › Stand construction
- › Stand partition walls

You will get the access details in September 2017

#### 4.6. Ceiling suspensions

Ceiling suspensions are possible in all the halls except under the gallery in Hall 1. The maximum load is 100 kg per suspension point. Suspension points may only be obtained from and modified by service partners of Landesmesse Stuttgart.

Due to the special roof construction spanning the halls and the movements that are possible as a result, please note that the distance between objects suspended from the ceiling and those standing on the floor must at least be 50 cm.

##### Maximum height of the upper edge of ceiling suspensions

8.90 m

##### Information on ceiling suspensions

- › Stand construction & Service › Technical services
- › Ceiling suspensions

You will get the access details in September 2017

#### 4.7. Compressed air

Compressed air connections may only be installed by Landesmesse Stuttgart or its service partners.

Due to reasons of operational safety is the use of own compressors not allowed (as well as the use of small- and auxiliary compressors).

Exceptions as subject to approval have to be registered at the responsible service partner of the Landesmesse Stuttgart 6 weeks before the fair begins.

If the compressors are firmly installed in the exhibit, you have to send an information to [technik@messe-stuttgart.de](mailto:technik@messe-stuttgart.de). A registration through the form is not necessary.

Compressed air is supplied via the supply ducts indicated in the hall floor maps (see [page 24: 4.24. Supply ducts inside halls](#)).

##### Compressed air on exhibition grounds

Operating pressure 6 bar (more upon request)

- › Downloads

##### Hall floor maps with supply ducts

You will receive it together with your booth confirmation. They will also be available for download starting from October 2017.

#### 4.8. Construction heights and distance to neighbouring stands

The construction height at **UNITI expo** is to be no higher than 6.0 m. The tops of any ceiling suspensions are to be no higher than 8.90 m.

Stands may only be **single-storey**. For category XL booth sizes in hall 1 two-storied constructions are possible.

There are construction height limitations in:

- › Hall 1. Those areas in front of air outlets and below staircases
- › Hall 3. Those areas in front of air outlets and in the entrance
- › Hall 5. Those areas in front of air outlets and, 3.50m in the entrance area and below the staircase

Precise height limits relating to your stand area are provided in the detailed hall floor map.

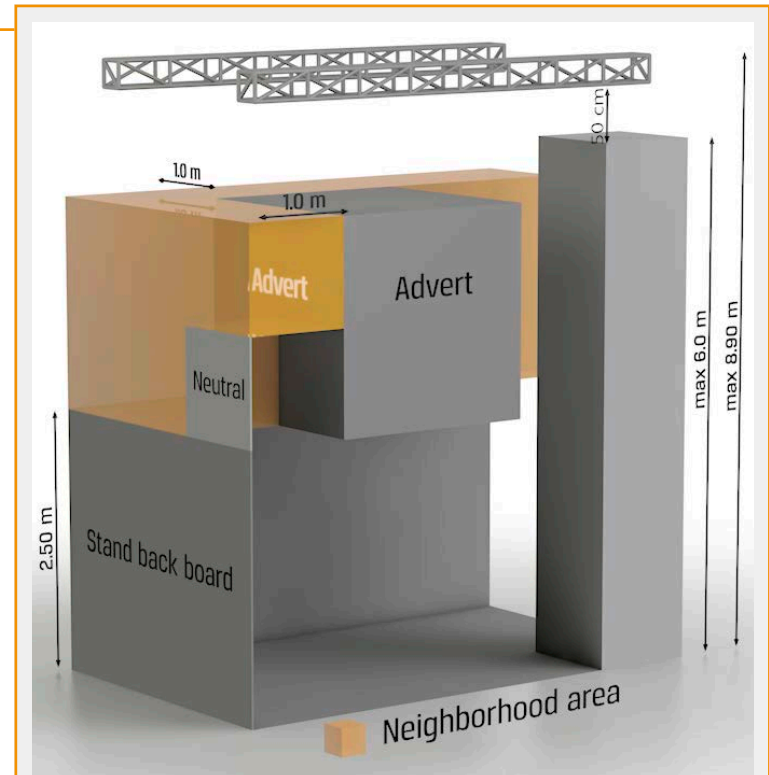

Due to the special roof construction spanning the halls and the movements that are possible as a result, please note that the distance between objects suspended from the ceiling and those standing on the floor must be at least 50 cm.

See also point [page 23: 4.22. Stand construction permit.](#)

The height of partitions between neighbouring stands must be at least 2.50 m. Providing that the side of the partition facing a neighbouring stand above 2.50 m in height is smooth, neutral (white or light grey) and clean, a height of up to 3.50 m is permitted without requiring a permit.

In the case of non-neutral walls over 2.50 m or any walls exceeding 3.50 m (in height), a zone of 1.0 m must be maintained around affected stands. Alternatively, written permission must be obtained from neighbouring stands.

If your stand exceeds 3.50 m in height, you must apply for a

stand construction permit (see [page 23: 4.22. Stand construction permit](#)) from Landesmesse Stuttgart.

#### 4.9. Electrical installations

Electrical connections may only be installed by Landesmesse Stuttgart or its service partners.

A main connection is required for each stand. The connections are equipped with approved safety fuses and electric meters. It must be possible to switch off the entire stand installation via one main switch.

Electricity is supplied via the supply ducts indicated in the hall floor maps (see [page 24: 4.24. Supply ducts inside halls](#)).

##### Voltage on exhibition grounds

- › Downloads

#### 4.13. Internet / WiFi / communication installations

**UNITI expo** provides free, open WiFi for its visitors and exhibitors in all halls.

However, if you need a stable high-speed internet connection to present your exhibits or carry out administrative tasks, we strongly recommend to you order the installation of private internet access.

Communication installations may only be undertaken by Landesmesse Stuttgart or its service partners.

Please note that you must register your own wireless network (WiFi) at the Landesmesse Stuttgart.

Connections are installed via the service ducts indicated in the hall floor maps. (see [page 24: 4.24. Supply ducts inside halls](#)).

› Exhibitors › Download area

**4.16. Pyrotechnics**

Pyrotechnic demonstrations require approval and must be coordinated with the Landesmesse Stuttgart.

**4.17. Set-up and dismantling times**

Please note the regular set-up and dismantling times shown in the following table (on the back).

If extended set-up and dismantling times are required, they can be booked in the periods displayed subject to a daily charge via the Stuttgart Messe Service-Portal.

Hall aisles must be cleared by no later than 18.00 on the last set-up day. Stands that are not occupied at 18.00 on the last set-up day will be closed subject to a charge.

On the last day of the trade fair, stands leased from Landesmesse Stuttgart and branded modular stand packages from von Hagen GmbH must be completely dismantled and cleared away by 21.00.

Please note the new restrictions on the entry during the set-up and dismantling. ([page 22: 4.18. Set-up and dismantling: restric-](#)

\* subject to a charge, \*\* dismantling after hall release

#### 4.18. Set-up and dismantling: restrictions on the entry

According to the currently valid restrictions of the Landesmesse Stuttgart, the entry to the exhibition grounds during the set-up and dismantling is only possible with a setting-up pass.

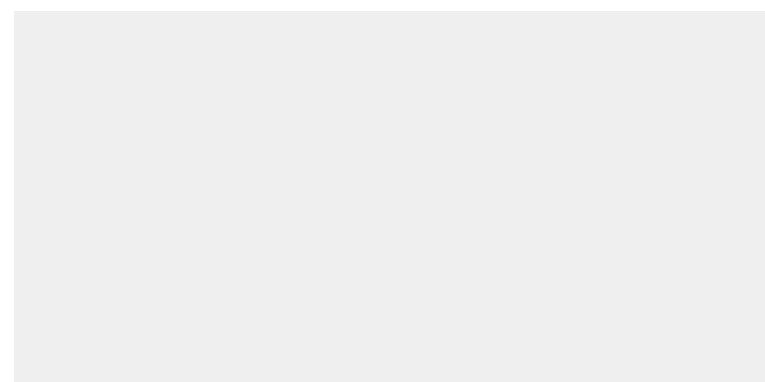

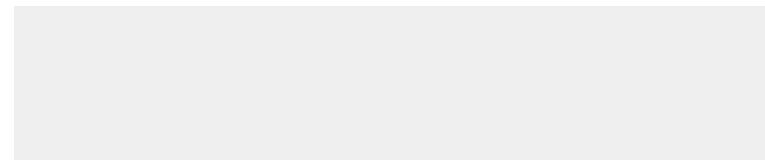

If you do not have a setting-up pass, you have to prove your identity with a suitable official document (passport, ID). Otherwise the entry to the ground is prohibited.

#### 4.19. Set-up assistance

If you or your stand builder require assistance during stand set-up or dismantling, set-up staff can be booked via the Stuttgart Messe Service-Portal.

#### 4.20. Stand boundaries

Exhibits can be displayed anywhere inside of the stand boundaries. Control panels, operators or similar must remain within the stand boundaries at all times.

**Order form for set-up staff**

# 5. Stand packages

## 5.1. Modular branded stand packages from von Hagen GmbH

These high-quality and branded modular stand packages were specially designed for **UNITI expo** and provide the framework for the optimised and cost-efficient presentation of your products and company. Thanks to their customisable printed walls, stands can be adapted to your brand and distinctive look.

The "turnkey" stand concept means that you don't have to worry about setting up, dismantling or furnishing your stand. All you have to do is set up the products/exhibits delivered directly to the stand, lay out the advertising materials and you're ready to go.

A distinctive aspect of the branded modular stand package is that despite the modest cost, you maintain a high degree of flexibility: additional furnishings and facilities can be booked and even customised adjustments and extensions can be planned directly with the stand builder.

The illustrated examples can be easily adapted for corner and linear 9 sqm to 36 sqm stands.

Stand and key handover will take place at your stand on Monday, 14 May 2018 from 09.00. The exact handover time can be agreed either in advance or directly on site with your contact from von Hagen GmbH. An earlier handover can be arranged upon request.

The stands must be completely vacated by 21.00 on Thursday, 17 May 2018 (last day of the trade fair).

### Modular branded stand packages from von Hagen GmbH

› Stand construction & services › Stand construction  
› Customized offers

You will get the access details in September 2017

### 5.3. Partners for your own customised stand solution

Of course you are also free to select a stand builder of your choice to design your stand. A list of potential partners for your customised stand is available on [page 41: 10.5. Exhibition stand construction companies](#).

## 6. Logistics

Directions and parking spaces for exhibitors, stand builders and visitors can be found here: [Access map for loading/unloading on page 30.](#)

### 6.1. Clearance height

The clearance height of the gates is approx. 4.4 m.

### 6.2. Deposit scheme for entry during set-up and dismantling periods

Entry to the **UNITI expo** halls is via Gate 2 and exit is via Gate 1 during the set-up and dismantling periods. Prior to entry, a deposit of € 100 must be paid at the 'check-in' point. The deposit will be reimbursed at Gate 1 after exiting within the prescribed loading period.

### 6.3. Truck parking

There are truck parking places outside the exhibition grounds available for exhibitors and stand builders. For further information, please contact the guard or security personnel on site.

### 6.4. Refrigerated containers and refrigerated trucks in loading docks

There are parking places available for exhibitors in the loading docks of the halls. For further information, please contact us by e-mail. Pre-reservation requests should be sent per e-mail.

#### Loading time in loading yard

Set-up and dismantling	During the fair*
Car	1 hour
Car with trailer/ (small) van	2 hours
Truck	3 hours

\*During the last day of the fair, the entry is only from 09:00 to 12:00 possible.

#### Additional information and reservation

Enquiries to: [carolin.ingelfinger@messe-stuttgart.de](mailto:carolin.ingelfinger@messe-stuttgart.de)

### 6.5. Transportation of exhibits

Landesmesse Stuttgart recommends its official forwarder, Schenker Deutschland AG, DB SCHENKERfairs, for the transportation of exhibits to and from **UNITI expo**.

All exhibits should be send to the forwarder carriage paid and free of any charges, and include the hall and stand number to ensure the transportation process runs smoothly.

Private vehicles are not permitted inside the halls.

#### Information on the transportation of exhibits

### 6.9. Access map for loading /unloading

As at 17. January 2018

Subject to change. Find the latest version [here](#).

# 7. Directions and accommodation

## 7.1. Arriving by car

Landesmesse Stuttgart is located directly near the "Flughafen/ Messe" exit on the A8. Access to parking spaces will be controlled by a dynamic traffic and parking guidance system for the duration of the trade fair.

The exhibition grounds are located approx. 13 km from the centre of Stuttgart.

### Address:

Flughafenstrasse / Flughafen  
70629 Stuttgart

### Address for older navigation systems:

Flughafenstrasse / Flughafen  
70629 Leinfelden-Echterdingen

### Coordinates:

Longitude: 09° 11' 24" E  
Latitude: 48° 41' 45" N

## 7.2. Parking

Landesmesse Stuttgart has an ample number of parking spaces in the immediate vicinity of the exhibition grounds.

Long-term parking permits for exhibitors in P31 and P32 can be ordered via the Stuttgart Messe Service-Portal. These permits are valid for the entire duration of the trade fair (including the last set-up day and first day of dismantling).

### 7.3. Accommodation

As an exhibitor or visitor to **UNITI expo**, a regularly updated, reserved number of rooms is available to you until 16 April 2018 via the **UNITI expo** online booking form presented by our partner Stuttgart-Marketing GmbH. The booking of selected partner hotels also includes free use of public transport.

If a larger block booking is required, please contact staff at Stuttgart-Marketing GmbH directly by phone or e-mail (reference: **UNITI expo**) for dedicated assistance.

We strongly recommend you to book rooms for your stand personnel as early as possible.

## 8. Marketing

### 8.1. Entry into the print and online versions of the exhibitor directory

The printed version of the **UNITI expo** exhibitor directory and the seminar programme are free for visitors and will be distributed at the trade fair entrance. The online directory can be found on the **UNITI expo** website, which is also mobile-friendly.

**Important note: You are required to personally enter your details online on the **UNITI expo** exhibitor portal by the editorial deadline (see [page 9: 2.4. Exhibitor directory](#)).**

Your stand booking will already include the following services:

- › Entry into the printed and online versions of the exhibitor directory, including full company address in the alphabetical directory and a basic entry (company name, hall and stand numbers) under each selected product category.
- › Listing as an exhibitor in our partner media tankstellenWelt and PetrolPlaza as well as on the website [www.uniti-expo.com](http://www.uniti-expo.com).
- › Inclusion of your press releases in the official **UNITI expo** press kit

You are responsible for ensuring that your entries are correct. The organiser reserves the right to not publish entries that are inaccurate, inappropriate, relate to competitors or are not legally compliant.

#### Online exhibitor directory

### 8.3. Publisher of the exhibitor directory and a word of caution regarding fraudulent publishers

com-a-tec GmbH is the only official publisher of the **UNITI expo** exhibitor directory. Entries are published on the **UNITI expo** website only. As such, please exercise extreme caution if you, as an exhibitor, receive offers, requests for payment, invoices or similar forms from other publishers (e. g. EXPO GUIDE S.A.).

### 8.4. Distribution of promotional materials on the exhibition grounds

The distribution of printed materials and use of promotional materials is only permitted on the exhibitor's own stand. Exceptions must be approved by the organiser.

Advertising and promotional activities outside the stand are only permitted through booking an activity offered at the exhibition grounds. This specifically includes the distribution of brochures.

### 8.5. Sample distribution / direct sales

In keeping with the spirit of this exhibition, the free distribution of goods and samples is permitted at exhibitor stands.

However, the direct sale of goods is not permitted.

## 9. Ticketing

### 9.1. Badges for exhibitors and stand personnel

You can register yourself and your stand personnel for Print@Home badges via the **UNITI expo** exhibitor portal.

#### Exhibitor portal

[www.uniti-expo.com](http://www.uniti-expo.com)

› Exhibitors › UNITI expo exhibitor portal

### 9.2. Tickets for trade visitors

Visitors are able to qualify and register themselves as trade visitors and print out their Print@Home badge prior to the trade fair free of charge via the **UNITI expo** visitor portal.

Visitors who are not registered must register on site at the registration desk.

#### Visitor portal

The visitor portal will be available to all registered exhibitors from Oktober 2017.

### 9.3. Guest tickets for your customers

As an exhibitor, you can invite as many business partners, customers or potential customers to the event as you wish, free of charge. The only prerequisite is that they are trade visitors.

You can generate codes for complimentary tickets by visiting the **UNITI expo** exhibitor portal. Using these codes, your guests will be able to register directly online in advance and print their Print@Home badge prior to the trade fair. Moreover, the **UNITI expo** exhibitor portal will enable you to see at any time who has already used your codes to register.

#### Exhibitor portal

[www.uniti-expo.com](http://www.uniti-expo.com)

› Exhibitors › UNITI expo exhibitor portal

#### 9.4. Tickets for the *UNITI expo* networking party

A networking party with varied street food offerings and entertainment will take place on the first evening of *UNITI expo*. Depending on the size of your stand, a specific number of tickets for the networking party is already included within your stand registration package.

As an exhibitor, you may purchase online as many tickets as you wish for your team and guests for the price of € 50 plus VAT via the *UNITI expo* exhibitor portal.

Stand size	Tickets inclusive
S from 9 sqm	2
M from 36 sqm	3
L from 60 sqm	4
XL from 100 sqm	5
